

Kastelli House

Kastelli House is a vast property consisting of two separate villas, located in the charming area of Nissaki in the northeast of Corfu. This villa is just 30 minutes away from the old town of Corfu and a mere 45 minute drive from the airport. During your stay in Kastelli House you are guaranteed to enjoy absolute privacy.

The property stands on top of a hill, surrounded by olive trees. Just you and your family or friends relishing the tranquility of the sea and nature. The location makes this villa unique for another reason: it offers you glorious, intense views of the azure waters of the Ionian Sea. This panoramic view will more than compensate for your drive up.

The main villa gives you access to a fully-equipped, modern kitchen, a large open plan living and dining room and a massive shaded terrace. The second house situated within the property, the cottage, also provides comfort and breathtaking views and shares some the main villa's outside spaces but also the same, stylish approach when it comes to decoration and furnishings.

This is the perfect destination if you want to experience a getaway in the traditional Greek setting that is the idyllic village of Nissaki without giving up on the comfort of a luxury holiday.
